Offshore sailing preparation

SATURDAY

03 NOVEMBER 2018

0930-1300

HOOD QUANTUM LOFT,

23 JOHNNYCAKE HILL

MIDDLETOWN RO 02842

Presented specifically, for the communities of Bermuda 1-2, Marion to Bermuda Race and members of the Bluewater Sailing Club:

Two, no charge, informative seminars on preparing your boat for offshore sailing.

1. 1. An in-depth discussion of Full-length battens, Fact, Fiction, Reality AND Value.
(I will have lots of the current FB hardware will on site to examine in conjunction with this presentation).

AND

1. 2. Some simple, high value modifications and upgrades to your deck and sailing /rigging equipment that will make the *sailing* part of your sailing, more effective, safer and easier.

- Long time offshore sailor and Newport notable, Joe Cooper, presents two informative seminars on topics of value to the offshore sailor.
- Coffee is available from 0930, first seminar starts at 1000.
- Plenty of free parking on site.
- Each presentation is about 50 minutes, and there will be breaks for Q&A and coffee between.
- Thanks to the Hood/Quantum organization for the use of the loft space.

In the afternoon, starting 1500, the Bermuda 1-2 community will be having their fall GAM at Newport Yacht Club, Long Wharf, Newport. For those sailors interested in this unique race are invited to join us then. Please indicate your interest so the YC can make sure we have enough beer and munchies.

Please join us, register at [Eventbrite](#), here

I look forward to seeing you.

Cheers
